

Mothers have a day...

Fathers have a day...

Even groundhogs have a day!

Isn't it time that **Kids** have their own **Day** too?

The Boys & Girls Clubs of Collin County and the McKinney Community Development Corporation understand the importance of families spending quality time together.

This year's event will include food and drinks, exciting activities, dance & musical performances, live DJ, bounce houses, dunking booths, magic shows, free giveaways, face painting, and much much more!

Join us in celebrating Collin County's Kids!
