Site & School Holidays

Boys & Girls Clubs of Collin County will be closed on school holidays. In addition, there may be a Site holiday that is not observed by the school district. Please observe signs in the lobby and on bulletin boards regarding these site and school holiday closings. Any additional closings will be communicated through the Site Director.

Weather Related Closings

If the school district is closed due to inclement weather, Boys & Girls Clubs of Collin County will also be closed. BGCCC is listed on WFAA 8, NBC 5 & Fox 4 TV stations and on the news channel websites.

Please check the TV or websites for information regarding closing. This information will also be posted on our website www.bgccc.org, as well as our Facebook & Instagram pages.

On rare occasions, BGCCC may be closed for inclement weather even if school was in session. In such cases, the administrative staff of BGCCC has determined that it is not safe to have our buses and vans on the road. In the event such a closing occurs, we will post the information on TV and on the news websites. We will also contact parents and notify the schools to advise of the closing. In such cases, parents will need to provide transportation for their children. Parents should check email and voicemail during inclement weather in the event the BGCCC does not run buses or closes early.

****Please note that for the safety of the children and our staff we will not operate vehicles in hazardous conditions.**

Attendance Monitoring

In the event that your child is absent from school or will not attend the program, please contact the Site Director before 1:00 p.m. to notify him/her of your child's absence. This will ensure that BGCCC staff will not be waiting for your child. This policy provides safety for our members and ensures that no child is left behind.

Parent/Member ID Cards

When your child becomes a member of the Boys & Girls Club, parents/guardians will receive two (2) bar coded membership cards. These cards should only be used by parents/guardians and are used when dropping off and picking up your child. For safety reasons, this membership card should only remain in the possession of the parent/guardian(s) listed on your child's membership application. Please keep this card with you and present it to the staff when you arrive at the Site. This card is a critical safety measure to ensure that only a parent/guardian picks up your child from the Site. **Please do not share this card with anyone other than the parent/guardian(s) listed on the Site membership application. If you give this card to anyone else to pick up your child, the Site is not responsible for any negative ramifications of someone other than a parent picking up your child from the Site.**

If the card is lost or damaged, there is a \$5 fee to replace it.

If someone besides a parent/guardian with an ID card is picking up your child, please contact the Site Director prior to pick-up to notify them of this change. We recommend that you place a pick-up password on file with the Site, and ensure the individual is prepared to show their state issued identification when asked.

Emergency / Special Circumstance Pickup

If you plan to have someone other than the parent/guardian(s) listed on the membership application pick up your child, we recommend that you include a pick-up password on your child's membership application. This password will be stored in your child's file. Please only share this password with the person(s) you trust to pick up your child. Please call the Site Director and notify her/him that another person will be picking up your child. When the person arrives, he/she will be asked to provide identification or confirm the pick-up password.

- Any youth personal information, or issues / concerns surrounding youth will only be discussed with registering parent(s).

Site Pick-Up

BGCCC fully enforces the membership pickup policy.

BGCCC encourages all parents to update membership information and changes regarding address, contact information and any other pertinent information.

Members can only be picked up by registered guardian(s) or those on the authorized pickup list.

A parent/guardian or the designated adult must enter the building to pick up a child. No child will be released to the parking lot to a waiting car. All members must be checked out by a parent/guardian/designated adult inside the building.

Please do not call ahead to ask that your child be ready for pick-up. These phone calls interrupt the pick-up process and create significant delays for staff and parents. Staff cannot remove a child from the program area for pick-up until the parent or guardian is in the building.

Parents and/or guardians must remain in the lobby while BGCCC staff escort members from program areas. For the safety and protection of our members, only staff and approved volunteers may be in program areas. All staff and approved volunteers must have a background check on file with BGCCC.

Please do not call ahead to see if your child has returned from a trip.

These phone calls create significant delays for staff and parents during the pick-up process. While we make every attempt to maintain the trip departure and arrival schedule, occasionally unexpected delays may occur. We ask for patience during these rare occurrences.

Late Fees

Please note: BGCCC is a non-profit agency. Each year, we must raise the millions of dollars needed to run a charitable organization that serves thousands of children. To do so effectively, we must carefully budget each dollar. Every extra minute that a child remains in the Site after closing time causes unbudgeted payroll.

Boys & Girls Club closes promptly at the end of the business day. A five-minute grace period for parents to pick up children is extended until 7:05 p.m. Beginning at six minutes after close, the following late fees are applied:

- \$10 per child for the first 5 minutes of tardiness
- \$1 per minute, per child for each additional minute beyond the first 5 minutes

All late fees are due **at the close of the next day of Club activities.** Parents should work with the Branch Director to satisfy all outstanding fees.

Please remember that the staff person requesting the late fee is fulfilling their professional obligation to the agency. It is not a personal attack; nor is the staff member responsible for the late fee. He/she is simply enforcing a Site policy, as directed by his or her supervisor. Thank you.

PLEASE NOTE THIS IMPORTANT SAFETY POLICY: If your child is not picked up from the Site within one hour after close and we have not received a phone call from a

parent/guardian, BGCCC will notify the Plano Police Department. Decisions about the child's well being will then be at the discretion of the proper authorities.

Sick Children

Please keep your child at home if your child has a temperature, has flu like symptoms, symptoms that can be reasonably defined as contagious, or if your child has an undiagnosed rash or eye infection (such as pink eye). Please keep your child at home if you believe your child's physical health will create an emotional issue for your child upon separation from his or her parents.

If your child becomes sick while at the Site, you will be called to pick up the child. In the best interests of your child and all of the children, we ask that you pick up your child immediately.

If your child receives an injury while at the Site, you will be notified by the Site Director. The injury will be described to you, and the determination will be made if you need to pick up your child.

Please keep your phone accessible while your child is at the Site. Please check your voice mail often. With several hundred children enrolled in the afterschool program, it is sometimes impossible to repeatedly call a parent. It is your responsibility to be available to the Site Director by phone in case of an illness, injury, or emergency.

If your child is seriously injured or ill, the Site Director will call 911 for emergency services. As outlined in the release of liability, the Site is not responsible for any charges associated with any emergency services. In the event you cannot be reached, and your child requires hospitalization, the Site Director will accompany your child to the hospital. Please keep your contact information and your emergency contacts' information current.

Special Trips & Tours

BGCCC policy states that four (4) requirements must be met in order for your child to attend a Site trip:

- A signed release of liability must be on file with your child's membership application
- The signed trip permission slip must be on file with the Site
- Your child must be wearing the assigned BGCCC t-shirt
- Your child must be at the Site at the time designated to depart for the trip

If any of the requirements listed above are not met, your child will not be allowed to attend the trip. It is not the responsibility of the Site staff to contact you about missing payment, permission slip or t-shirt prior to the trip. Trip refunds are not provided under any circumstances; **however, account credits are occasionally allowed at the discretion of administration and will only be considered when extreme emergencies occur.**

Please note: Proper behavior is absolutely essential for the safety and success of a trip.

We ask that parents review the Site's behavioral expectations with your child prior to attendance at the Site or on trips. If your child violates any of the Site behavioral expectations while on a trip, he/she will have to sit out of the remainder of the trip. Additionally, the child will not be allowed to attend any future trips.

Snack

Snack will be provided by the Site. **(Please read the Allergies and Medical Conditions section carefully).**

Allergies and Medical Conditions

Please notify the Site Director of any serious or life-threatening allergies or medical conditions **in all three of the following ways**:

- On your child's membership application
- Through a personal conversation with the Site Director
- In writing via email

Please note that, while we do make every effort to accommodate a child with severe food allergies, the Site cannot guarantee the contents of the snack served. Additionally, Site staff cannot guarantee that your child will not share food with another Site member. Please discuss this with the Site Director before continuing your child's enrollment in the Site. Our highest priorities are your child's safety and well-being.

Medications

The Site staff is not authorized to distribute or administer medications.

Personal Electronics and Valuable Items

BGCCC requests that all personal electronics and valuable items (including but not limited to video games, cell phones, and personal internet devices) be left at home. BGCCC is not responsible for loss of, damage to or theft of these devices. If your child brings an electronic device to the Site and it is lost or stolen, BGCCC will not launch an investigation into the loss. Such investigations are time consuming and distracting from our mission. Again, it is our highest recommendation that these devices remain at home.

Use of personal electronics during Site programs is prohibited. It is impossible to maintain order and program implementation when children are free to place calls/text messages or play video games during programs. Such behavior is distracting to your child and to other children. If a child is using an electronic device during programs, the child will be given one verbal warning. If such use continues, the electronic device will be collected by Site staff and returned to the parent at the end of the day. Excessive use of personal electronics will result in the child being prohibited from bringing devices to the Site, and possible suspension from the afterschool program.

Communication

Email: Please note that we distribute notification about Site updates, issues, policies, emergencies, and all other pertinent information to our parents via email. We must have your current email address in order for you to receive this information. Please keep your email address current with the Site, and please check your email on a daily basis. Also, please approve emails from bgccc.org in your spam filter. Please check your junk email and spam filter for any emails from the Site.

For parents who do not have email addresses, please be sure to check parent site bulletin board and front counter for information.

Site Phones: During peak hours, please limit calls to the Site to emergencies only.

The Site peak hours are as follows: 4:30 p.m. – 7:00 p.m.

The only calls placed to the Site during this time should be urgent in nature. For example, if there is a problem picking up your child or if your family experiences an emergency, you may call the Site during this time. For any other calls that are not urgent in nature, we ask that you call during administration hours of 10:30 a.m. and 2:30 p.m. If you call with a non-urgent issue during peak hours, you will immediately be asked to leave a message. The staff member will not be able to engage in a conversation with you at that time. Your call will be returned by the close of the next business day.

Questions or Concerns: Please direct your questions or concerns to the Site Director, De’Heaven Robinson. The Site Director can be reached at 469-703-5925 or 214-544-8924, ext 114 during administrative hours of 10:00 a.m. - 1:00 p.m.

If you are unable to resolve concerns with the Site Director, you may contact any members of our operations administrative team listed on page 2 of this handbook.

Parent Requests/Concerns

We would love to be able to address every issue and concern immediately; however, we cannot do so effectively during program hours. To be more effective and ensure that every issue or concern can be addressed effectively, all parents are asked to use the Parent Request Box located on the front counter for all non-emergencies such as parent questions, member issues at the site, minor accidents, questions about the program, etc....

Please notify Club staff you would like to submit a parent request/concern card; fill out the request card and insert in the box. All requests will be answered with 24 hours.

Major accidents or emergencies will require special circumstances.

Code of Conduct

It is our goal that every child attending the Boys & Girls Club Site will have fun, learn, and make new friends in a safe and positive environment. We expect each child to act in a manner that is safe, respectful, and considerate of all other children and staff.

BGCCC has a zero tolerance for physical violence or bullying of any kind. Physical violence or bullying toward a Site member or a staff member can be grounds for immediate dismissal.

BGCCC's behavioral modification strategy is to encourage/reward positive behavior and discourage negative behavior. Negative behavior results in loss of privileges (such as sitting out of a group activity or suspension from a trip). To ensure the best possible Site experience for all of our members, severe or continued negative behavior can result in suspension or removal from the Site.

The following behaviors will not be tolerated and may be cause for immediate suspension or dismissal from the Site. *Please note that the BGCCC Code of Conduct also applies to behavior while your child is being transported by a BGCCC bus. Violation of the Code of Conduct or failure to follow the directions of BGCCC staff while in transit, could result in the lost of transportation privileges.*

- Verbal abuse of another child or staff member
- Damage to any property, equipment, or another child's belongings
- Theft of any kind
- Disruption of activities
- Bullying or belittling
- Disruptive behavior on the bus/van

In addition to the behaviors listed above, there are other violations that may result in a loss of privileges inside the Site, temporary suspension from the Site, or permanent removal from the Site. These decisions are made on an individual basis and are at the discretion of the Site Director and the BGCCC Administrative Staff. If your child is suspended or removed from the Site for behavioral problems, a refund is not provided.

These violations include (but are not limited to):

Minor Violations

(First offense will typically result in a verbal warning. Second offense will typically result in a loss of privileges. Third offense will typically result in a suspension from the Site. Fourth offense may result in removal from the Site.)

- Improper dress- to include sagging, head covers of any kind, or inappropriate clothes that reveal too many personal attributes
- Minor teasing or crude language (not including profanity)
- Failure to follow verbal instructions of Site staff
- Littering or failure to pick up after oneself
- Minor harassment/disrespect of Site members or staff

- Disrespect of the Site rules or guidelines
- Rough housing/horse play

Major Violations

(Consequences for these offenses will be determined on an individual basis. Any of these offenses can result in a significant loss of privileges, a suspension from the Site, or removal from the Site.)

- Physical violence
- Fighting
- Bullying
- Excessive arguing
- Profanity
- Vandalism or abuse to building, property or equipment
- Theft
- Smoking

To further ensure their safety, the organization prohibits all one-on-one interactions between Club members and staff and volunteers (including board members). All staff and volunteers must abide by the following:

- Ensure all meetings and communications between members and staff or volunteers are never private (see definition below).
- Ensure in-person meetings take place in areas where other staff and/or members are present.
- Communicate to another staff member whenever an emergency arises that necessitates an exception to this policy.
- Never initiate private or isolated one-on-one contact with a member.
- Never have a private or isolated meeting or communication with a member. This includes in-person meetings and virtual communications such as texting, video chat and social media between only a staff member or volunteer and a single member.
- Never transport one Club member at a time. This includes transportation in Club or leased vehicles.

Exceptions may only be made when delivering medical or counseling services by a licensed, trained therapist or similar professional. All exceptions shall be documented and provided to Club leadership in advance.

If an emergency arises that necessitates an exception to this policy, the emergency exception shall be communicated to Club leadership as soon as practicable, and ideally before engaging in one-on-one interaction.

ONE-ON-ONE INTERACTION POLICY GUIDANCE

The following guidance should be used when implementing related policies and procedures.

Definition of one-on-one interaction

One-on-one interaction is defined as any private contact or communication (including electronic communication) between any Club participant and an adult, including adult staff, minor staff, volunteers, board members and others who might encounter members during regular programming and activities.

- **Private** contact/communication is any communication, in person or virtual, that is between one youth member and one adult (18 or over) that takes place in a secluded area, is not in plain sight and/or is done without the knowledge of others. Private places can include but are not limited to vehicles, rooms without visibility to others, private homes, and hotel rooms. Examples of private contact include but are not limited to:
 - Meeting behind closed doors (in rooms without windows or visible sightlines) or any spaces that are not visible to others.
 - One staff member transporting one member in a vehicle.
 - Electronic communications (text, video, social media, etc.) between one member and one staff member or volunteer.
- **Public contact/communication** is any communication or meeting, in person or virtual, that is between at least three individuals, including two staff and one member, one staff and two members or variations of these combinations. Examples of public contact include but are not limited to:
 - Meeting in plain sight of others (e.g., in a quiet corner of an active games room).
 - Transporting members via public transportation (bus, taxis, train, air, etc.) or transporting multiple members.
 - Electronic communications (text, video, social media, etc.) between multiple members and adults (e.g., group chats).

Prohibition of Private One-on-One Interaction Policy (Page 2 of 3)

- Public places can include but are not limited to buses, airports, shopping malls, restaurants, and schools.

Impact on mentoring programs

Mentorship is a key component of Boys & Girls Club programming and has tremendous positive impact on members. Prohibition of one-on-one interaction does not have to negatively affect mentor programs and/or relationship building. Mentors can adjust their practices to include:

- Holding mentor and coaching sessions in areas where other staff and/or members are present or can see you – for example, in large rooms where meetings are visible but not heard.
- Copying parents, staff, or other members (when appropriate) on written and/or electronic communications.
- Scheduling meetings during Club hours and at the Club site.
- Documenting interactions between mentors and youth.

Impact on partnerships with local mentoring organizations

- All local mentors are required to abide by Club policies, including background check requirements and prohibition of one-on-one interaction.
- External mentors are required to abide by all Club safety policies and procedures.
- A written agreement should be in place to determine how and when the external organization assumes custody and responsibility of the member; these procedures should be clearly communicated to parents or guardians.
- Every interaction between mentor and youth will be documented and maintained

Impact on travelling to off-site events and activities

- When travelling to external events such as Keystone, Youth of the Year or other off-site events, the one-on-one policy shall continue to be followed.
- Should the Club take responsibility for transporting members to and/or from an event, one staff member should not transport one single child at any time in a vehicle. Accommodations shall be made to ensure at least three people (two staff and one member or one staff and two members) are together when traveling. As an alternative, public transportation may be used (e.g., taxi, Uber, public transport).
- If this arrangement presents staffing or budget challenges, consider the following:
 - Inviting parents or guardians to attend and/or chaperone their child.
 - Including additional youth (e.g., Junior Youth of the Year) and/or staff in travel plans.
 - Coordinating with other Clubhouses or nearby organizations to travel together.
 - Travelling with additional staff or members.
- Parents and guardians should also provide written consent in each instance in which a member travels to any off-site event. NOTE: Parents or guardians are never allowed to provide consent for one-on-one interaction.
- Similar practices should be in place when coordinating field trips.

Impact on transportation to and from the Club

- When transporting members to and/or from a Club-sponsored event or activity, single members should not be transported alone with one staff person.
- Consider the following to accommodate single children:
 - Modify bus or van routes so single children are not picked up first or dropped off last.
 - Use a bus aide if available.
 - Pick up and drop off children in groups.

Prohibition of Private One-on-One Interaction Policy (Page 3 of 3)

- Modify staff schedules to ensure multiple staff are present.

Exceptions to policy

Exceptions to the one-on-one policy can be made under the following circumstances:

- When delivering medical or counseling services by a licensed, trained therapist or similar professional (e.g., counselors, social workers).
- When the emotional or physical safety of a member is at risk and a private, one-on-one communication is deemed necessary by Club leadership.
- In emergency situations that could create a safety risk, exceptions can be made (e.g., if a member is not picked up by a parent and leaving them alone at the Club could be a safety risk).

Due to the wide range of material available on the internet, some material might not fit the particular values of members and/or their families. Because of this, it is not considered practical for Boys & Girls Clubs (of Collin County) to monitor and enforce a wide range of social values in student use of the internet. - Each vehicle must have a complete first-aid kit that satisfies state licensing requirements.
- Each vehicle must have a working and current fire extinguisher that satisfies state licensing requirements.
- Each vehicle must have reflective traffic warning signs (e.g., triangles or flares) that are stored securely during transport.
- The vehicle must be clean and well maintained and exterior physical damage must be repaired promptly.

SHARED-USE RESTROOMS

- On a field trip or when using a public restroom, youth shall never enter the restroom alone unless it is a single-stall restroom that is empty.
- Youth shall follow the “rule of three” in using public restrooms, with at least two youth and an adult walking to the restrooms and three youth entering a multi-stall facility together. The adult will remain outside the restroom door to provide auditory surveillance.
- Whenever possible, staff/volunteers will monitor and clear public restrooms before use by members to ensure that the facility is free of adults – and clear of youth not involved in the Club program – before allowing youth to use the facilities. Alternatively, staff members will stand in the restroom doorway and/or hold the door at least partially open when supervising member use of public restrooms. Staff may position themselves inside the restroom near the sinks if positioning at the door is not feasible or is deemed ineffective.

Transportation Policy (Page 2 of 2)

- In a shared-use facility, Boys & Girls Clubs will utilize the best practice of shutting the exterior door to the restroom and using an “Occupied” sign outside of the door to alert others that they must wait until Club members have exited the restroom before they can enter.

ACCIDENT OR EMERGENCY PROTOCOL

- Driver should immediately notify Club leadership if there is a delay or issue (e.g., breakdown, accident, emergency) with transporting members to and from the Clubhouse or Club-related activities.
- Staff shall immediately inform Club leadership if a staff member, volunteer, or board member violates this policy. In such case, the organization will take appropriate disciplinary action, up to and including termination.

Through the appropriate use of Club and community resources, Boys & Girls Clubs strive to mitigate the immediate effects of an emergency and its long-term effects on Club operations and mission by being prepared to effectively respond to and recovery from an emergency.

Emergency Operations Plan Policy (Page 1 of 1)

EMERGENCY OPERATIONS PLAN (EOP)

Boys & Girls Clubs Emergency Operations Plan is included in its Safety and Crisis Manual. The plan encompasses the following elements:

- Mitigation, preparedness, response, and recovery for the following types of emergencies:
 - Fire
 - Weather (tornado, flooding, hurricane, etc.)
 - Lockdown (for interior or exterior threat)
 - Bomb threat

EOP ANNUAL REVIEW

Boys & Girls Club of Collin County leadership does maintain a board-led safety committee that regularly focuses on safety and will have oversight and responsibility for the emergency operations plan. The board-led safety committee will be responsible for reviewing and updating the emergency operations plan annually.

FIRST AID AND CPR TRAINING

Boys & Girls Clubs of Collin County always maintains a minimum of one CPR- or first-aid-trained staff on site during all operating hours when members are being served.

KEY DEFINITIONS

Emergency: An emergency is any event, natural or man-made, whether expected or unexpected, that places life or significant Club assets in danger or threatens the ability to conduct normal business operations and usually involves abnormal time constraints and resource responses.

Mitigation: Mitigation is the effort to reduce loss of life and property by lessening the impact of disasters or emergencies. For mitigation to be effective, we need to take action now — before the next emergency occurs — to reduce human and financial consequences later.

Preparedness: Preparedness helps everyone act quickly and decisively in the face of a disaster or emergency and can minimize loss of property and prevent death and injury. An effective emergency plan should include steps to ensure that those with disabilities or special needs are provided with a proper evacuation strategy.
