

# Boys & Girls Clubs of Collin County

SUPPORTING FAMILIES OF FRISCO ISD

# VIRTUAL

## YOUTH SUPPORT PROGRAM

Boys & Girls Clubs of Collin County continues to remain a valuable resource to our youth, parents and families. We recognize that during these times, families, especially our youth may need extra support. Our Virtual Youth Support Program is designed to ensure that youth have an additional support system during their virtual class study. Our program follows the latest CDC safety procedures to provide a clean healthy environment, where parents can feel confident their children are safe while continuing their learning.
